[draft\\_Deep Monitoring wells.docx](#)

Alice,  
I looked at this very quickly on my blackberry but wanted to send it to you asap. I forwarded it to my gmail account so I can read it more carefully but it looks pretty detailed. Let me know what you think about how best to provide/present all this information.

Also, let me know if you would like Linda to fax the information here. We will need to set up our computer to receive it.

Thanks,  
Cindy
